WINEMAKING

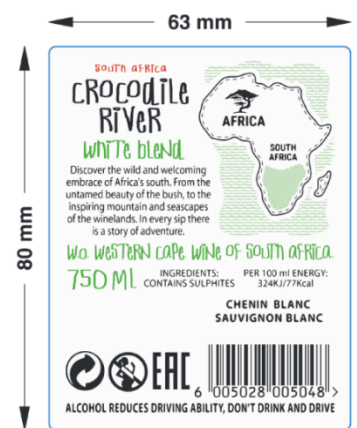

Crocodile River White is crafted in a fruity and accessible style for everyday enjoyment. Harvested in February with optimal sugar levels and acidity, the grapes arrived at the cellar in perfect condition to preserve their fruity characteristics. Specific yeast strains were used to enhance the tropical fruit flavors in both Chenin Blanc and Sauvignon Blanc. Cool fermentation temperatures were maintained for three weeks to amplify the fruity character and freshness. After cooling and stabilizing, the individual wines were blended to create a balanced and harmonious wine.

TASTE AND FOOD PAIRING

This easy-drinking white blend, comprising about 60% Chenin Blanc and 40% Sauvignon Blanc, exhibits a fresh, fruit-driven style with peach, lime, and tropical litchi fruit flavors. It's delicious with poultry or fish dishes, or simply enjoyed on its own.
